ARCHITECTS' AND ENGINEERS

The Telephone Paging Server, Model VE6023, when used in a Class Connection IP6000 Communications System, shall provide live and automated emergency messaging, event scheduling audio and text to compatible IP Telephone Systems and Telephones. The server allows distribution of audio and text to an unlimited number of IP telephones. The simple browser-based interface facilitates easily accessible interface and programming of compatible IP telephone systems and IP telephones. The server shall be compatible with Class Connection FXO and SIP devices to provide live telephone accessed paging audio to be broadcast over compatible IP telephones. The server shall be compatible with Class Connection Application Servers to provide prerecorded audio, text to speech audio and text to compatible IP telephones. The server shall provide the capability for emergency priority page override to allow broadcast to phones that are active on a phone call. The server shall communicate with VIP-102B setup tool for setup and dial code information. The ability to control receipt of messages based upon priority shall be inherent. High availability redundancy shall be available with a tandem VE6023.

Technical Specification

VALCOM LIMITED WARRANTY

Valcom, Inc. warrants its products only to the original purchaser, for its own use, to be free from defects in materials and workmanship under conditions of normal use and service for a period of one year from the date of shipment. This Limited Warranty obligation shall be limited to the replacement, repair or refund of any such defective device within the warranty period, provided that:

1. inspection by Valcom, Inc. indicates the validity of the claim;
2. the defect is not the result of damage, misuse or negligence after the original shipment;
1. the product has not been altered in any way or repaired by others and that factory sealed units are unopened (a service charge plus parts and labor will be applied to units defaced or physically damaged);
3. freight charges for the return of products to Valcom are prepaid;
2. all units 'out of warranty' are subject to a service charge. The service charge will cover minor repairs (major repairs will be subject to additional charges for parts and labor).

This Limited Warranty is in lieu of and excludes all other warranties, expressed or implied and in no event shall Valcom, Inc. be liable for any anticipated profits, consequential damages, loss of time or other losses incurred by the buyer in connection with the purchase, operation, maintenance, installation, removal or use of the product. The maximum liability of Valcom under this warranty is limited to the purchase price of the specific Product covered by the warranty.

Disclaimer. Except for the Limited Warranty provided herein, the product is provided "as-is" without any warranty of any kind whatsoever including, without limitation, any **WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT.**

This warranty specifically excludes damage incurred in shipment. In the event a product is received in damaged condition, the carrier should be notified immediately. Claims for such damage should be filed with the carrier involved in accordance with the F.O.B. point.
